A LUXURIOUS HOUSE,
TOTAL SECLUSION.

Set high on a hill and surrounded by over 100 acres of private land, Marion Bay House settles in the landscape as though it has always belonged here.

Inspired by the weathered farm buildings of rural Australia, Marion Bay House's award-winning design combines rugged and robust with European elegance

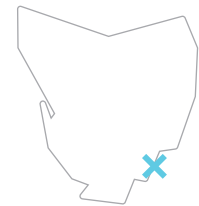

and sophistication. This is a place where ordinary life feels like a distant memory.

Surrender to the luxury and beauty of Marion Bay House. Lose yourself in a view that seems to go on forever. Or step outside your door and experience the best of Tasmania's food, wine, art, culture and history.
